Book 160 $1.50

Isn't it charming — the lacy, creamy Afghan in the photo
with the gold hand-mirror? And the Irish Knits,
and the embroidered Victorian heirloom-Afghan: aren't they beautiful?
You will turn to this book over and over again,
making one design after another, for your home, and for gifts:
the glowing Grannies and Ripples for devoted friends;
the Domino and Compass Afghans for those who like bold, bright looks;
the man-style plaid for a college room, or a den.

A bouquet is a collection of lovely things.
This is your Afghan Bouquet from Bernat.

HINTS FOR BETTER KNITTING AND CROCHETING

STITCH GAUGE

The term "*Stitch Gauge*" is the *Most Important* part of all *Knitting* and *Crochet* directions, since the sizing of any article is planned on this gauge. You *Must* work to the gauge which is given or your finished work will not be the size indicated in the directions.

TO CHECK STITCH GAUGE

Cast on or *Chain* approximately 20 sts, using the yarn and needles specified. Work in specified pattern stitch for 4 inches. Bind or fasten off. Steam the swatch. Then using a *Ruler* as a guide, count the number of sts to 1 inch. If your stitch gauge is *More* sts to 1 inch than given in the directions, try the next size larger needle and again check your gauge. If your stitch gauge is *Less* sts to 1 inch than that given in the directions, try the next size smaller needle and again check your gauge. The *Important Thing* to remember is that the size needle used does not matter, as long as your stitch gauge is correct.

AFGHAN STITCH

Row 1: Draw up a loop in each st of ch, leaving all loops on hook (Fig. 1); take off loops as follows: Y o hook, draw through 1 loop, * y o draw through 2 loops, repeat from * across row (Fig. 2); the loop remaining on hook counts as first loop of next row (Fig.3).

Row 2: Skip first upright bar (Fig. 3). Draw up a loop in next and each remaining upright bar (Fig. 4), leaving all loops on hook; take off loops in same manner as Row 1. Repeat Row 2 ONLY for specified length.

TO CHANGE COLORS IN CROCHETING

When changing colors in crocheting, always work off the last 2 loops with the new color.

FRINGE

Cut strands of yarn slightly more than twice the desired finished length of fringe. Double one or more strands. Insert crochet hook through edge where fringe is to be made and draw through the double strand or strands; draw ends through this loop and pull ends to tighten. Continue across piece to be fringed.

TO CROSS STITCH DESIGN ON AFGHAN STITCH

Each upright bar across row of afghan st is counted as 1 st. Following desired chart count upright bars. You will note that there are two holes formed by afghan st *After* each upright bar.

Working from left to right, join color on wrong side at lower hole and work across next upright bar to upper hole. Then bring needle through lower hole directly below (Fig. 5). Continue on number of sts for color being used. Then work from right to left to form cross (Fig. 6).

Be careful not to pull yarn too tightly.

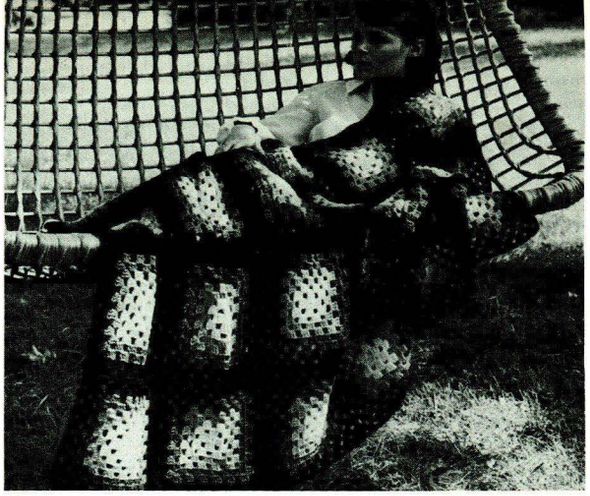
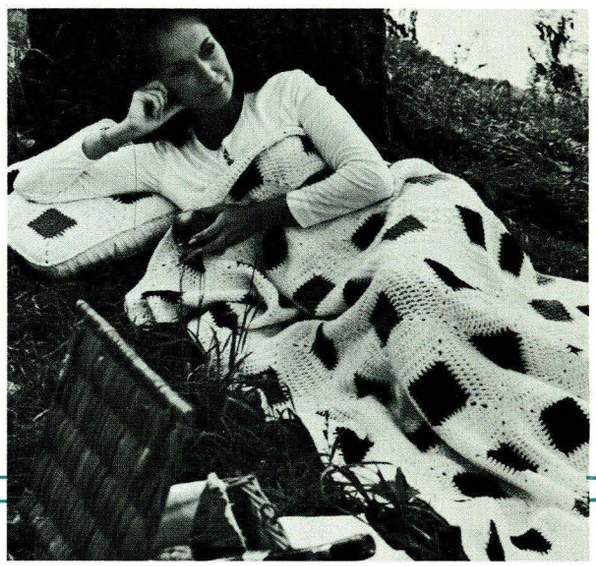
PRINTED IN U.S.A.



the next time you plan an afghan, you'll think BERELLA before you even pick a pattern



You want your Afghan to be cozy and warm but light and soft. You want the colors to stay deep and rich . . . not to discolor in sunlight; not to weaken when washed. Use Bernat Berella. It is richer and softer than other all-acrylic yarns. It is spun to be lighter and warmer. Its colors come from the Bernat Master Dyer — which means they are deep, true and color-fast: the perfect colors for your Afghans.

Berella is a complete family of yarns. Berella '4', a 4 ounce worsted, and Germantown, a 2 ounce Germantown weight, come in all classic Afghan colors, and many more.

Other Berella-Family yarns are: Sportspun, a 2 ounce sportsweight; Lightning, a 4 ounce double-bulky; Fingering, a 1 ounce fingering weight; and Baby-Bulky, a 1 ounce baby-sports weight. All Berella yarns are machine washable-dryable of course.

Only Bernat makes Berella. That's why it's the best.
